

**(A) Thematic Talks**

**Purpose:** World Vision aims to help children, youths and parents gain a deeper understanding of the needs of impoverished children and communities in developing countries, and reflect on their own lifestyles in light of what they learn. Our staff welcome invitations from educational institutions ranging from secondary schools to universities for thematic talks (presented in English). Each talk is designed to bring global issues alive for students with the help of multimedia and real-life examples.

Topic	Content
<b>The Fairytale Wedding (Child Marriage)</b>	<ul style="list-style-type: none"> <li>● <b>The relationships between child marriage and poverty, cultures and traditions</b></li> <li>● <b>World Vision’s work to protect children</b></li> <li>● <b>Actions to help children in poverty</b></li> </ul>

\* We are happy to collaborate with teachers to customise our talks to fit your curriculum where appropriate.
