陳朝光（右一）實地探訪宣明會在尼泊爾推行的生計發展項目。
Edmund Chiu-kong Chan (first right) visited World Vision's livelihoods development projects in Nepal.

生活在都市的我們，每天都聽見很多聲音。但是，有哪些我們願意用心聆聽及回應呢？

「一起聽見飢餓」是今年的年報主題，感謝每一位捐助者、合作伙伴、支持者和義工，與我們一起「聽見飢餓」，並且支持宣明會推行各類糧食及生計發展項目，協助飢餓兒童和家庭建立能力，長遠應對糧食不足問題。

我們知道飢餓仍不停地在蔓延。然而，全球人道救援及相關發展計劃的預算卻越來越緊絀，我們非常擔憂對飢餓兒童的援助也將縮減，他們的聲音更難以得到回應。所以，你的同行至關重要，讓我們能夠繼續為飢餓兒童發聲，使他們不會被世界遺忘。

再次感謝你的信任，支持宣明會在全球各地的同工繼續守護貧窮和脆弱孩子，為他們帶來切實的幫助，更重要是活出豐盛生命的盼望！

馮丹媚遠赴索馬里的境內流離失所者營地，了解和關心脆弱孩子的需要。
Amy Fung visited internally displaced camps in Somalia to recognise the need and show support for vulnerable children.

Living in a bustling city, we hear many sounds around us. Yet, how many of them do we intentionally listen to and respond to?

“Let the Hungry Be Heard” is the theme of this year’s annual report. We are deeply grateful to every donor, partner, supporter and volunteer who has chosen to “listen to the hungry”, and contribute to World Vision’s various food and livelihoods development programmes, helping children and families build their capacity and tackle food insecurity in the long run.

Despite our efforts, hunger continues to expand its impact. Unfortunately, the budget for humanitarian relief and related development projects is tightening. We are extremely concerned about the diminishing support for hungry children, fearing that their cries may go unheard. Your partnership is vital in ensuring that we can continue to be a voice for these vulnerable children, preventing them from being forgotten.

Thank you once again for trusting World Vision workers across the globe to oversee the needs of poor and vulnerable children and provide them with tangible support. Most importantly, it is a hope for a fulfilling life.

我們的歷史

Our History

世界宣明會由卜皮爾博士於1947年，將身上僅餘的5元交給照顧被遺棄小女孩白玉的傳教士開始，至1950年正式成立，至今75載。我們一直憑藉基督教信仰，不論孩子的背景或其身處困境，我們都全力協助他們活出豐盛生命。

每天，我們在全球近100個國家，與捐助者、義工、家庭和社區居民一起努力改善孩子的生活。我們知道社區居民最了解自己所面對的挑戰，亦最懂得如何實現自己的夢想，而我們的工作都會全面顧及孩子的整全需要。

From World Vision founder Bob Pierce giving the last \$5 in his pocket to a missionary in 1947 for the care of an abandoned girl, Baiyu, to the official establishment in 1950, we have celebrated 75 years of service. Inspired by our Christian faith, we are dedicated to helping children live a life of fullness regardless of their background or the adversity they face.

Every day, across almost 100 countries, we work alongside donors, volunteers, families and communities to transform children's lives. We know that communities have the best understanding of their own needs, and often, they also have the best ideas of how to fulfil these. In everything we do, we work towards children's complete wellbeing.

Let the Hungry Be Heard

Discover our Impact in Child Sponsorship Programme

感謝助養者在2024年繼續透過「助養兒童計劃」，讓我們在非洲、拉丁美洲及亞洲的23國家推行69個區域項目。除了一直推行的社區發展工作，我們亦關注氣候變化對貧困兒童、家庭及社區在糧食及食水方面帶來的壓力，適時調整在教育、水資源、健康、兒童保護和生計發展等範疇的工作，保障孩子的成長環境，並關心他們的成長發展。

In 2024, thanks to the unwavering support of our sponsors for the **Child Sponsorship Programme**, we implemented 69 area programmes across 23 countries in Africa, Latin America, and Asia. Alongside our ongoing community development efforts, we addressed the impacts of climate change on vulnerable children, families, and communities, focusing on food and water security. 社區孩子伊圖梅倫的故事

Story of a Community Child, Itumeleng

「我們每天都在掙扎過活。爸爸在細小的椰菜田地辛勞工作，出產的農作物卻從來不夠我們一家人吃。我每天都擔心爸爸能否帶食物回家給我們吃，上學就像一個遙遠的夢。」15歲的伊圖梅倫憶述。

自宣明會為伊圖梅倫的爸爸提供各種農耕培訓，情況改變了。「宣明會為爸爸的菜田提供了遮光網、灌溉系統和種子等支援。當我和家人一起播下這些種子時，我充滿了快樂和希望。現在爸爸的椰菜產量達5,000多棵，我們可以拿來出售了。」伊圖梅倫興奮地說：「隨著爸爸的收入增加，我終於可以上學。他現在可以買校服和書本給我，我學到了很多。」

伊圖梅倫也參加了各類活動和生活技能培訓，她說：「我會努力學習，為社區作出貢獻。我也想改變世界，就像宣明會改變了我們的世界一樣。」

"We struggled every day to make ends meet. My father worked tirelessly on his small cabbage farm, but there were never enough crops for all of us. I constantly worried about whether my father would bring home food for us to eat. Going to school felt like a distant dream," 15-year-old Itumeleng recalls.

Things changed when World Vision supported Itumeleng's father with various agricultural training that improved crop yields. "World Vision provided my father with shade nets, a water irrigation system, and seeds for his cabbage farm. There's so much joy and hope when planting those seeds with my family. Now my father produces over 5,000 cabbages that we can sell," Itumeleng shares excitedly. "With my father's increased income, I can finally go to school. He can now buy me a school uniform and books. I'm learning a lot."

Itumeleng has participated in various activities and life skills training. "I'm going to study hard and make a difference in my community. I want to change the world too, just like World Vision has changed ours," says Itumeleng.

居於鄉村的兒童和家庭，往往因為資源匱乏而難以維持生計和保障健康。當面對氣候變化引發的極端天氣造成的糧食與健康危機時，便更難以僅有的資源渡過難關。宣明會於2024年，因應各鄉村面對的挑戰及獨特需要，在東歐、非洲及亞洲的17國家推行36個鄉村項目，回應所需及裝備村民各方面的能力。

Children and families living in rural areas often struggle to maintain their livelihoods and protect their health due to a lack of resources. Facing food and health crises driven by extreme weather linked to climate change makes survival increasingly difficult when resources are scarce. In 2024, World Vision implemented 36 rural projects in 17 countries across Eastern Europe, Africa, and Asia, addressing the unique challenges and needs of each village by equipping villagers with a variety of skills and resources.

社區概況

- 烏干達的 Nkandwa 及 Kiryanongo 區內 34.6% 的人口每日倚靠不足 1.25 美元過活，多山及位處高地，水資源不足，區內的 9 所公立小學未有提供清潔食水的設施。學校缺乏水利衛生和月經衛生設施，增加女童缺課和感染疾病的風險。
- 相對於該國農村安全供水覆蓋率的 69%，這地區只有 12%。家庭爭奪用水引發兒童和婦女之間的社會糾紛和暴力事件。衛生環境欠佳也加劇了貧窮和疾病的循環，阻礙兒童的成長發展，而家庭收入低更令他們難以投放資源，改善水利及衛生設施。

About the Community

- Nkandwa and Kiryanongo are two sub-counties in Uganda, where 34.6% of the population suffers from income poverty, living below the poverty line of US\$1.25 a day. None of the 9 public primary schools has a source of safe water on-site. The lack of WASH (Water, Sanitation and Hygiene) infrastructure and menstrual hygiene management systems has turned schools into high-risk places for infections and increased absenteeism among girls.
- Water coverage in this community is just 12%, compared to 69% coverage in rural areas at the national level. Insufficient water coverage and competition for domestic water has led to social disputes, and increase violence against women and children. Poor sanitation perpetuates the cycle of poverty and disease, hindering children's growth and development, while low household incomes further limit investments in sanitation improvements.

Dativa, a mother of six, has been fetching water from the nearest river, located 3 km from her home. Although it is the only water source available, it is contaminated by both animal and human waste. This scarcity of clean water has led to domestic violence, cases of defilement among teenage girls, school dropouts, diarrhoea, and even drowning. However, the construction of piped water and three public standposts by World Vision in her village has made a significant difference. Dativa explains that clean water is now as close as her door and safe for use. She and other women and children in the community can save a considerable amount of time on water collection, reducing their risk of diarrhoea and malaria.

社區概況

- 近年，肯尼亞數千公頃農地嚴重退化，未能生產充足的糧食及飼養牲畜。在布西亞縣的Funyula地區，大部分人倚靠耕種為生，64%的人每天生活費不足2美元，約54%的人面臨糧食不足問題。能源匱乏亦威脅當地居民的生活，大部分人使用柴火煮食。
- 土地重複耕作、使用化學肥料及樹木覆蓋率低，導致土壤較薄、肥力較低。同時，由於人口增長和柴火需求激增，需要開闢更多農田，以致植被覆蓋率未能可持續發展。

About the Community

- In recent years, Kenya has seen thousands of hectares of degraded farmland that no longer produce adequate or regular crops or pasture for livestock. In Funyula, Busia County, agriculture is the backbone of the local economy. 64% of the population lives on less than US\$ 2 per day, and approximately 54% are food insecure. Additionally, the county is energy-poor, with the majority of residents relying on firewood for cooking.
- The soil in the area is generally thin and has low fertility levels due to continuous tilling, repeated application of chemical fertilisers, and poor tree cover in farmlands. Clearing new lands for farming to meet the needs of a growing population and the increasing demand for firewood has further depleted vegetation cover at unsustainable rates.

Sex Education for Children with Disabilities

欣欣是一個患有自閉症的小女孩，不太擅長與人交流，對於外界的許多事物都感到陌生和困惑，對自己的身體和性別概念非常模糊，也不懂得如何保護自己的隱私，父母對於如何給自閉症孩子進行性教育也感到十分迷茫和無助，面對她不適當的行為，除了回避，也沒有其它辦法，老師也不太懂得如何去引導她。

欣欣的老師參加了宣明會的殘障兒童性教育工作坊，為學生開展性教育普及活動。初時，欣欣有些緊張和不適應，但老師非常耐心地引導她。在宣明會的持續支援下，使用簡單易懂的圖片、生動有趣的故事及遊戲等，吸引了欣欣的興趣。

欣欣參與性教育普及活動一年多後，更清楚地認識到自己的身體結構，並且學懂在日常生活中注意保護自己的隱私部位，還學會怎樣處理月事、禮貌交往等。欣欣的父母從不知道如何開口，到現在重視及明白性教育對自閉症孩子的重要性，也知道了如何幫助孩子更好地適應社會和保護自己。

Xinxin is a little girl with autism who struggles with communication and felt unfamiliar and confused about many aspects of the outside world. She had vague concepts about her body and gender and does not understand how to protect her privacy. Her parents also felt confused and helpless about how to provide sex education for children with autism. The only way they knew to handle her inappropriate behaviour is to avoid it, and her teachers were unsure of how to guide her.

Xinxin's teachers participated in a World Vision workshop focused on sex education for children with disabilities, and held outreach activities for students. Initially, Xinxin was nervous and uncomfortable, but her teachers guided her with great patience. With ongoing support from World Vision, the use of easily understandable pictures, engaging stories, and interactive games piqued Xinxin's interest.

After participating in sex education outreach activities for over a year, Xinxin has become more aware of her body parts and learned how to protect her private areas in daily life. She also gained knowledge about menstruation and social etiquette. While Xinxin's parents once avoided discussing these topics, they now recognise the importance of sex education for children with autism. They have also learned how to help their child better adapt to society and protect herself.

漣漪計劃——「童樂包」項目

Ripple Programme - Children's Education Pack Project

我叫小貞，今年11歲。兩年前，我離開了充滿回憶的農村老家，跟隨爸媽搬到市裡的一個偏遠社區居住。我幾乎不認識其他孩子，而且爸媽每天外出工作忙得不可開交，家裡只剩下媽媽和我們三姐妹。媽媽對我們很嚴格，總是有很多規矩要我們遵守，不允許碰這個，不允許做這個，但從來沒有說明這些不可以背後的原因，也沒有教我們如何去結識新朋友。

就在我感到迷茫和孤獨的時候，社區與建了一個兒童活動中心，裡面有各種好看的圖書、玩具、球類等，還會舉辦各種活動，我和妹妹因此成了那裡的常客。這些活動不僅讓我們的課餘時間變得有趣，學到很多新知識，更重要的是我和妹妹都結交了新朋友。隨後我知道了這裡開展的活動都是宣明會支援的，我們還收到一份珍貴的禮物——童樂包，裡面有關於防災、兒童自我保護和認識青春期等小冊子，簡單易懂。

我印象最深刻的是童樂包裡，關於過馬路交通安全的提醒。在農村老家沒有這麼多車，也沒有紅綠燈。記得不久前我和妹妹看到有小朋友過馬路被車撞傷，我們被嚇壞了，回到家正好看到如何安全過馬路的内容。我和妹妹都學會了，還提醒媽媽，她誇我做得好，讓我很開心！

My name is Xiaozhen, and I am 11 years old. Two years ago, I left my memory-filled rural hometown and moved to a remote community in the city with my parents. I hardly knew any of the other children, and our parents were so busy with work that my grandma and two sisters were often left at home. Grandma was very strict with us, imposing many rules. We were not allowed to touch certain things or do certain activities without understanding the reasons behind these prohibitions, and we were not taught how to make new friends.

Just when I was feeling confused and lonely, the community built a children's activity centre. It was filled with beautiful books, toys, ball games, and hosted various activities. Since then, my sisters and I became regular visitors. These activities made our free time both fun and educational, and more importantly, we made new friends. Later, I learned that these activities were supported by World Vision. We received a special gift – a children's education pack containing easy-to-read pamphlets about disaster prevention, self-protection, and understanding adolescence.

What impressed me most in the education pack was the reminder about road safety when crossing the street. In my rural hometown, there are not many cars, and there are no traffic lights. Not long ago, my sister and I witnessed a child being hit by a car while crossing the road. We were shocked. When we got home, we happened to read about safety tips for crossing the street. My sister and I both learned these tips and reminded our grandma. She praised me for my efforts, which made me very happy!

在2024年，本地基層家庭仍然深受經濟復甦放緩及物價上漲的影響，在養育子女上面對各種困難。而不少需要照顧有特殊教育需要兒童的家庭，亦承受著沉重壓力和挑戰。故此，宣明會繼續伙拍專業團體及合作伙伴推行「本地項目」，向有需要家庭提供營養與健康、特殊教育需要支援、體驗式學習及教育支援，讓基層兒童得享身心靈整全及健康發展的機會。

In 2024, local underprivileged families continued to face numerous challenges in raising children as they were significantly impacted by the slow economic recovery and rising prices. Many families experienced additional pressure in caring for children with Special Educational Needs (SEN). In response, World Vision continued to collaborate with professional groups and partners to implement local programmes that provide nutrition and health support, resources for SEN, experiential learning and learning support. These efforts aim to ensure that underprivileged children have access to opportunities for holistic development in physical, psychological and mental health.

人次的兒童及家長參加註冊營養師諮詢、工作坊或定期獲得「營養食物包」。透過參與計劃，孩子的營養攝取明顯改善。
child and parent participants took part in consultations and workshops led by registered dietitians or received regular Nutritious Food Packs. As a result, the children's nutritional intake has significantly improved.

均衡飲食是孩子智力及身心健康發展最基本的要素，亦為打破跨代貧窮奠定重要基礎。然而，本地基層家庭往往因為家中經濟困難、煮食條件設備所限、照顧者對兒童營養建議攝取量知識有誤或偏低等，選擇較便宜但相對單一、品質較差的食材但求飽腹，導致基層兒童在營養攝取上，普遍存在不足及不均的情況。

此外，坊間兒童營養飲食教材往往不太適用於本地基層家庭的實際煮食環境和飲食文化。有見及此，我們不但伙拍專業團體及合作伙伴為基層兒童提供註冊營養師一對一營養諮詢及工作坊，向兒童及照顧者傳遞選擇營養食物和烹調方法的正確知識，更邀請基層兒童照顧者在接受培訓後，與營養師一起創作出符合他們實際生活條件的兒童營養飲食教材，並由他們來充當同伴的教育大使。

A balanced diet is essential for the intellectual, physical, and mental development of children, serving as a crucial foundation for breaking the cycle of inter-generational poverty. Unfortunately, underprivileged families often resort to cheaper, but relatively single and low-quality ingredients due to their financial constraints, limited cooking facilities, and inadequate knowledge of nutritional needs, resulting in insufficient and imbalanced nutrition in many underprivileged children.

Moreover, existing teaching materials on children's nutrition are not typically suitable for the cooking environments and food cultures of local grass-roots families. In response, we have partnered with professional groups to provide one-on-one nutrition consultations and workshops for underprivileged children and their caregivers. This initiative not only imparts essential knowledge about nutritious foods and cooking methods but also involves caregivers in developing tailored nutrition teaching materials that takes account of their living conditions. By doing so, we empower them to become educational ambassadors within their communities.

我們與合作伙伴一起包裝食物包，包括西蘭花、牛奶、雞蛋、蝦仁及水果等營養食物，並派發給基層家庭。
We worked with partners to prepare food packs that include nutritious items such as broccoli, milk, eggs, shrimps and fruits, and distributed them to grass-roots families.

特殊教育需要支援 Support for Special Educational Needs

有特殊教育需要 (Special Educational Needs, SEN) 的兒童及家庭在兒童成長和生活上，都面對著莫大的挑戰和社會壓力，而可及、可負擔的適切支援，對基層 SEN 兒童及其家長尤為重要。我們和合作伙伴相信，SEN 孩子「不是沒有能力，而是能力不同」。

今年，我們除了為有語言發展遲緩 / 障礙及讀寫障礙的基層兒童提供讀寫障礙訓練、安排一對一補習外，亦由具專業 SEN 運動教育認證的教練團隊開展運動班，透過針對他們學習需要及適切的教學方法，啟發他們發掘及發展所長。同時，我們亦關心 SEN 孩子的照顧者，為他們舉辦和諧粉彩指導師認證課程、電影分享會等，一方面與家長同行，也讓公眾人士更多理解 SEN 群體的需要，促進社會共融。

人次有特殊教育需要兒童定期參與運動班，得以訓練運動能力、執行能力和團隊精神。

children with SEN participated in sports classes focusing on developing their athleticism, ability to perform and team spirit.

Children and families with SEN face significant challenges and social pressures in their development and daily lives. Accessible, affordable, and appropriate support is crucial for underprivileged SEN children and their parents. We and our partners believe that children with SEN are “not incapable, but rather, possess different abilities”.

This year, in addition to providing dyslexia training and arranging one-on-one tutoring for underprivileged children with language development delays, disorders, and dyslexia, we conducted sports classes led by certified professional coaches specialising in SEN sports education. These classes aimed to inspire children to discover and develop their strengths through tailored teaching methods that addressed their learning needs. We also focused on the caregivers of SEN children by organising Pastel Nagomi Art® Associate Instructor Certification Courses and film-sharing sessions for them. By engaging with parents and raising public awareness about the needs of the SEN community, we promoted social inclusion and understanding.

人次的基層兒童在多元智能體驗活動中擴闊眼界，鍛練自信心、提升學習能力和親子關係。

underprivileged children took part in multi-intelligence experiential activities that broadened their horizons, boosted their self-confidence, and enhanced their learning abilities and parent-child relationships.

能夠享有多元學習和啟發潛能的資源和機會，以及正向的家庭和社會關係，對基層兒童得以脫離弱勢尤為重要。然而，基層家庭往往因為家庭經濟負擔能力有限難有機會接觸新科技，他們不但無法享受到善用科技的好處，長遠更會造成資訊鴻溝。

今年，我們與合作伙伴為基層兒童及家庭提供一系列活動，例如利用虛擬實境 (Virtual Reality, VR) 遊戲為他們營造沉浸式學習體驗，讓他們得以接觸 VR 科技，並寓輔導於遊戲，透過親子共同參與 VR 遊戲促進家長與兒童正向溝通與互相欣賞。此外，基層兒童有機會參與模擬飛行體驗工作坊，在小實驗中學習、應用科普知識，藉此提高其學習興趣和自信心，並鼓勵他們要有夢想，為此不怕失敗、不住努力。

Access to diverse resources and opportunities for learning, along with positive family and social relationships, are crucial for underprivileged children to overcome their disadvantage. However, these families often face restricted access to new technologies due to financial constraints. As a result, they not only miss out on the benefits of technology but also become increasingly vulnerable to a widening information gap over time.

This year, in collaboration with our partners, we offered a series of activities for underprivileged children and families. These included using Virtual Reality (VR) games to provide an immersive learning experience and introducing them to VR technology. By integrating games into tutoring, we fostered positive communication and mutual appreciation between parents and children as they engaged in VR activities. Besides, underprivileged children had the opportunity to participate in simulated flight experience workshops, where they learned and applied popular science knowledge through small experiments. This not only sparked their interest in learning but also boosted their self-confidence, encouraging them to dream big and become more resilient.

在2024年，烏克蘭和敘利亞等地的衝突持續，不僅威脅著脆弱孩子的生命，也加劇了飢餓問題。現時全球七成的飢餓人口生活在受戰事和暴力影響的地區。而氣候變化引發的乾旱亦阻礙糧食生產，進一步惡化脆弱孩子的成長環境。「守護脆弱孩子」月捐計劃集合大家的捐款，在環境脆弱的地區提供基本生活、營養及生計援助，又向孩子提供心理及教育等支援，讓他們得以重獲生機、重整生活和重建未來。

In 2024, conflicts in places such as Ukraine and Syria continued, not only threatening the lives of vulnerable children, but also exacerbating the problem of hunger. Currently, 70% of the world's hungry people live in areas affected by war and violence. Droughts caused by climate change also hamper food production, further worsening the growing environment for vulnerable children. The "Childhood Rescue" monthly donation programme pools together donations to provide basic living, nutritional and livelihood assistance in environmentally fragile areas, while offering psychological and educational services to children, allowing them to survive, recover and build a future.

蘇丹爆發內亂後，瑪麗發現自己處境十分艱辛。在逃離衝突時失去了丈夫，她只有帶著孩子逃至南蘇丹，但由於缺乏棲身之所及資源，面臨著更大的挑戰。為了建立穩定的收入來源，她與15名同伴組成種植蔬菜小組。因著宣明會「家庭菜園項目」的支持，能自給自足與變得喜樂感恩。

Mary found herself in challenging circumstances following the outbreak of civil unrest in Sudan. Having lost her husband while fleeing the conflict, she returned to South Sudan with her children, only to face further hardship due to the lack of accommodation and resources. Determined to create a sustainable solution, Mary joined forces with 15 other individuals to form a vegetable group. Empowered by the support and knowledge imparted by the World Vision team, Mary achieved self-sufficiency, a transformation that filled her with joy and gratitude.

救災工作的成果

Discover our Impact in Disaster Responses

「我們迅速回應」是宣明會的核心信念之一。當災難來襲時，飢餓、暴力、創傷，以及痛失親朋、家園、學校和安全感等，也會令兒童深受其害，甚至失去保護。因此，宣明會一直迅速回應各項自然災害及人道災難，從災難開始直至完成重建，協助家庭盡快恢復生計，兒童重拾日常生活。而對於持續多年的全球飢餓危機，我們亦繼續為飽受飢餓之苦的兒童及家庭提供緊急和長期援助。

“We are responsive” is one of World Vision’s core values. When disaster strikes, children endure hunger, violence, trauma, and the loss of family, friends, homes, schools, and a sense of security. Therefore, World Vision responds swiftly to natural and humanitarian disasters, supporting communities from the onset of the crisis through to reconstruction, helping families regain their livelihoods and allowing children to resume their daily lives. In light of the ongoing global hunger crisis, we continue to provide both emergency and long-term assistance to children and families affected by hunger.

阿富汗地震緊急救援
Afghanistan Earthquake Emergency Response

阿富汗西部社區在2023年10月7日，持續遭受地震侵襲，受災人數高達27.5萬人，估計六至七成為婦女及兒童。阿富汗經歷長達40多年的衝突，加上2021年國際社會撤軍加劇其影響，引發經濟崩潰。醫療保健服務嚴重不足，因氣候變化導致的乾旱亦持續。阿富汗逾半數人口（2,370萬）需要人道援助。宣明會在地震後迅速提供緊急援助，但國家仍然需要持續支援以增強社區的抗逆力。

結集力量

Getting Involved

「我們是合作伙伴」是宣明會的核心信念之一。我們與貧窮人、捐助者和合作伙伴一起同工，彼此明白、尊重與互愛。在2024年度，我們喜與捐助者、義工、合作伙伴和各界人士一起結集力量，推展各項活動，為貧窮及脆弱孩子帶來幫助與希望。

“We are partners” is one of our core values. We collaborate with the poor, our donors and partners in a shared ministry, in which we commit ourselves to knowing, respecting, and loving one another. In 2024, we were glad to work with our donors, volunteers, partners and different sectors of the community in organising various events and activities, bringing help and hope to poor and vulnerable children.

氣候行動

氣候變化是關乎所有人的危機，不過，最脆弱的一群通常首當其衝。作為關注兒童福祉的機構，宣明會透過恢復自然環境和氣候公義以回應最嚴峻的氣候危機，務求為兒童和將來的世代創造安居的環境。

Climate Action

Climate change is a crisis that affects everyone, but the most vulnerable communities often bear the brunt of it. As an organisation focusing on the wellbeing of children, World Vision responds to the most severe climate crisis by restoring natural environments and promoting climate justice, aiming to create a safe and secure environment for children and future generations.

在一些最受氣候變化影響的地區中，我們專注為兒童、以及他們的家庭和社區，提供可持續發展的環境，透過項目計劃，建立他們的抗逆力，讓他們提高適應能力、減緩氣候變化造成的影響。

我們很榮幸在6月時邀請到國際知名農學家、澳洲世界宣明會首席氣候行動顧問 Tony Rinaudo（托尼·里努多），以及專責宣明會破項目及合作計劃的 Daniel Misson 到訪香港和澳門，與企業、學校、教會、捐助者及公眾人士分享、交流，呼籲大家關注氣候變化，並探討恢復自然環境和氣候公義的具體行動方案。

托尼聯同多名專家講者於我們與 CESGA Alumni Asia 及香港地球之友合辦的應對氣候變化研討會上，分享以自然基礎為本的減碳項目，如何緩減氣候變化的影響，以及對脆弱地區人民的裨益。碳中和及可持續發展委員會主席林正財 SBS, JP 以主禮嘉賓身分發言。托尼亦與香港中文大學戴沛權教授及黎育科教授進行學術對話。公眾人士也獲邀觀賞以托尼為主角的紀錄片《造林者》，並且踴躍交流。

In some of the areas most affected by climate change, we focus on providing sustainable environments for children, their families, and communities. Through our project initiatives, we build their resilience, enabling them to enhance their adaptability and mitigate the impacts of climate change.

We are honoured to have invited internationally renowned agronomist and Principal Climate Action Advisor of World Vision Australia, Tony Rinaudo, along with Daniel Misson, who is responsible for World Vision's carbon programming and partnerships, to visit Hong Kong and Macau in June. They shared and exchanged ideas with businesses, schools, churches, donors, and the public, calling on everyone to pay attention to climate change and explore concrete action plans for restoring natural environments and climate justice.

At our climate change seminar co-hosted with CESGA Alumni Asia and Friends of the Earth (HK), Tony and several expert speakers shared how nature-based carbon reduction projects can alleviate the impacts of climate change and benefit vulnerable communities, while Dr. the Honourable Lam Ching Choi, SBS, JP, Chairman of the Carbon Neutrality and Sustainable Development Committee, spoke as a Guest of Honour. In addition, Tony engaged in an academic dialogue with Professor Tai Pui Kuen, Amos and Professor Lai Yuk Fo, Derrick from the Chinese University of Hong Kong. Meanwhile, members of the public were invited to view the documentary "The Forest Maker," featuring Tony, and actively participated in discussions.

「助養兒童計劃」和助養者活動

我們在2024年度舉辦柬埔寨及孟加拉探訪團，共18位助養者及親友親身探望孩子及參觀社區。我們亦舉行玻利維亞及肯尼亞視像探訪，共18位助養者與助養孩子網上會面。此外，也有超過170位助養者透過網上聚會或現場聚會，深入了解其捐助為有需要孩子帶來的成效。我們又向超過400位助養30年以上的助養者致送感謝狀，多謝他們多年來的同行。

今年，我們推出了「My World Vision 捐助者專區」，助養者只要登入平台，就可以看見孩子資料、近期照片和影片（如有），以及賀卡、「周年進度報告」等。

Child Sponsorship Programme and Sponsors' Activities

In 2024, we visited Cambodia and Bangladesh with 18 sponsors and friends to meet their sponsored children and engage with the communities. Additionally, we conducted virtual visits to Bolivia and Kenya, where 18 sponsors participated in virtual meetings with their sponsored children. Over 170 sponsors also joined virtual gatherings and in-person events, gaining a deeper understanding of the impact of their donations on children in need. We expressed our gratitude to more than 400 sponsors who have supported us for over 30 years, thanking them for their unwavering dedication.

This year, we launched the "My World Vision" Donor Portal, where sponsors could log in to view their sponsored child(ren)'s information, recent photo(s) and video(s) (if available), as well as greeting card(s) and the Annual Progress Report(s).

「守護脆弱孩子」計劃

感謝 RubberBand 相隔十年後，再隨宣明會遠赴非洲，走訪「脆弱環境」之一的索馬里蘭，深入震撼他們的流離失所者營地，探訪居於簡陋營帳的孩子和家庭，並且見證宣明會提供的實際幫助，如何守護深受氣候和糧食危機威脅的脆弱孩子，陪伴他們逐步重整生活，重建未來。

回港後，RubberBand 創作《讓世界都懂》這首「守護脆弱孩子」的主題曲，於6月的音樂分享會首唱，更分享所見所聞及鼓勵大家參加「守護脆弱孩子」計劃。

Childhood Rescue

We extend our gratitude to RubberBand for returning to Africa with World Vision after ten years, visiting Somaliland, one of the "fragile contexts". During their visit, they witnessed the shocking conditions in internally displaced persons' camps and met families living in makeshift tents. They observed how World Vision provides practical assistance to protect vulnerable children affected by climate and food crises, helping them gradually recover and build a future.

Upon returning to Hong Kong, RubberBand created the theme song – 讓世界都懂, dedicated to "Childhood Rescue". They premiered the song at a music-sharing event in June, sharing their experiences and encouraging everyone to participate in "Childhood Rescue".

饑饉活動

2023年11月舉辦的「饑饉30」以低碳版形式舉行，感謝每一位營友、捐助者、義工、嘉賓和演出單位，以及各贊助商的支持。9,789名市民也於企業、教會和學校參加「饑饉一餐」、「學界饑饉」、「聯中饑饉」等饑饉活動，身體力行關心和捐助非洲飢餓兒童及家庭。

We thank every camper, donor, volunteer, guest, performance group, and sponsor for their support. 9,789 citizens from corporates, churches and schools participated in famine activities such as Skip-A-Meal, School Famine, and Joint Secondary School Famine, taking an initiative to care for and donate to hungry children and families in Africa.

舊書回收義賣大行動

我們與永旺（香港）百貨有限公司合辦的「舊書回收義賣大行動」，於7月順利舉行。感謝每位踴躍捐書和買書的市民，以及各贊助商、義工和參與捐書活動的學校。義賣籌得善款用於支援本地有特殊教育需要（SEN）的基層兒童及其家庭，締造一個有利 SEN 兒童好好學習和茁壯成長的環境，推動社會共融。

Used Book Recycling Campaign

Our Used Book Recycling Campaign, co-organised with AEON Stores (Hong Kong) Company Ltd., was held in July. We appreciate every member of the public who generously donated and purchased books, as well as all sponsors, volunteers, and schools that donated books. The funds raised would support local underprivileged children with Special Educational Needs (SEN) and their families, creating an environment conducive to the learning and growth of SEN children while promoting social inclusion.

「遺善最樂」講座

我們與「遺善最樂」合辦的平安三寶講座已超過4年。9月時的講座共有78名捐助者參與支持。感謝「遺善最樂」及「人一世」創辦人兼專業律師 Ryanne 非常用心講解訂立遺囑（平安紙）、持久授權書和預設醫療指示的注意事項等。同時衷心感謝每位將遺產贈予宣明會的有心人，認同宣明會的理念，並把愛傳承給下一代，幫助貧困孩子和社區轉化生命。

Legacy Talk from ForeverGift

The legacy talk on 3 Instruments of Peace, co-hosted with ForeverGift.hk has been running for over four years. The seminar in September saw participation from 78 donors. We thank Ryanne, professional lawyer and the founder of ForeverGift.hk and One Take, for her thorough explanation of important considerations when setting up wills, enduring power of attorney, and advance medical directives. We also sincerely thank everyone who has made a charitable bequest to World Vision, recognising our mission and passing on love to the next generation to help transform the lives of impoverished children and communities.

World Vision operates as a federal partnership of which World Vision Hong Kong is a member. Through the Covenant of Partnership, World Vision Hong Kong agrees to align with World Vision International policies, standards and core documents that bind the Partnership together, with adaptations to the local context and supplemented by our own policies. Mutual accountability is enabled by regular peer reviews that evaluate the above alignment.

As a company incorporated with limited liability in Hong Kong, World Vision Hong Kong holds the tax exemption status under section 88 of the Inland Revenue Ordinance. Our local Board, comprising independent, unremunerated, non-executive Directors, is committed to maintain sound governance. In the Financial Year 2024, the Board was chaired by Mr Edmond Chan and consisted of 10 members from various professions. Important governance work is carried out by its 5 Committees: Audit & Risk Committee, Governance Committee, Strategy Committee, Human Resources & Administration Committee and Executive Committee.

World Vision Hong Kong is committed to ensuring the proper and effective use of fund entrusted by donors. All projects are appraised, managed and monitored according to standard policies and procedures. Expenditures are carefully managed by strict cost control policies and audits. We provide Annual Report to our donors while the audited financial statements are also available on our website for access.

In the Financial Year 2024, 4% was spent on administration, 6.3% on fundraising, while 89.7% was allocated to the ministry programmes and reserves.

World Vision International has internal governance mechanisms monitoring the implementation of controls and risk management practices by project offices, providing feedback loops or escalating compliance issues or risk as appropriate. It also issues annual report for public access.

風險管理 Risk Management

香港世界宣明會採用與國際世界宣明會一致的風險管理框架。機構每年識別關鍵風險，以作分析、評估和積極應對。根據董事會認可的風險管理政策，因應內外環境的變化，進行有序的風險管理。董事會將風險管理的定期檢討委託予審計及風險委員會。在2024財政年度，該委員會由董事盧偉生先生擔任主席，委員包括楊逸芝女士、張珮諺女士及陳茂偉博士。

審計 Audit

國際世界宣明會設有全球鑒證及諮詢部門，定期對各地事工進行審計工作，對象包括由香港世界宣明會資助的海外項目辦事處。其目的是確保事工的質素和資金得以適當使用，而內部監控機制充足及行之有效。此部門亦會每季度跟進審計報告中的改善建議，監督並匯報執行情況。

同時，香港世界宣明會設有內部審計單位，獨立評估及改善風險管理、內部監控及管治流程的效能，內審專員每年向審計與風險委員會提交報告。該委員會每年召開至少三次會議，以監督機構的風險管理及資金運用、評估內部監管系統成效、檢視財務報表並委任獨立核數師。

在2024財政年度，香港世界宣明會委任畢馬威會計師事務所進行年度財務審計。另外，我們亦因應香港特別行政區政府要求，聘請獨立核數師審核個別籌款活動及政府撥款資助的救援項目。

World Vision Hong Kong's risk management framework aligns with that of World Vision International. Key risks are identified annually, analysed, evaluated and treated in a proactive manner. We manage risks systematically according to our risk management policy approved by the Board of Directors and in response to changes within the internal and external environment. The Board has delegated regular scrutiny of risk management to the Audit & Risk Committee. In the Financial Year 2024, the committee was chaired by the Board Member Mr Daniel Lo, with Ms Eirene Yeung, Ms Stephanie Teoh and Dr William Chen as members.

World Vision International has a Global Assurance & Advisory (GAA) Team to regularly provide audit and assurance on its worldwide operations, including those to which World Vision Hong Kong provides funding. It aims at ensuring ministry quality and the proper use of funds, and that internal monitoring mechanisms are adequate and effective. GAA also monitors and reports quarterly on the remediation of audit findings.

Meanwhile, World Vision Hong Kong's local internal audit function independently evaluates and improves the effectiveness of our risk management, internal controls and governance processes. It reports annually to the Audit & Risk Committee which meets at least three times a year to provide risk management oversight, monitor the use of funds, evaluate internal control system, review financial statements and appoint external auditors.

In the Financial Year 2024, KPMG was appointed to perform World Vision Hong Kong's annual financial audit. Various fundraising activities and relief projects funded by government grants were also audited by external auditors as required by the HKSAR Government.

倡議「聽見飢餓」切實回應飢餓兒童的需要

Let the Hungry Be Heard

Responding to the Cries from Hungry Children

持續的衝突，以及由極端天氣引發的各種災害及經濟損失，導致更多兒童及家庭飽受飢餓之苦，急需支援。然而，全球飢餓救援的人道及發展計劃的預算卻日趨緊絀。我們將繼續透過「聽見飢餓」倡議行動，與大眾一起了解及關注飢餓與兒童營養不良的問題。

Ongoing conflicts, coupled with disasters and economic losses from extreme weather, have resulted in more children and families suffering from hunger and needing urgent support. Unfortunately, budgets for global hunger relief and humanitarian development programmes are increasingly strained. Through the "Let the Hungry Be Heard" initiative, we aim to engage the public in understanding and addressing the critical issues of hunger and child malnutrition.

推動「本地項目」繼續關懷有需要的兒童

Promoting Local Programme

Continuing to Care for Children in Need

我們將匯集大家的力量，繼續灌輸營養知識予基層兒童及家庭。我們亦展開問卷調查，了解基層兒童難以攝取均衡營養，以致阻礙健康成長的原因，希望藉此提出建議和相關支援。同時，我們也繼續關注有特殊教育需要的兒童，並計劃將營養支援項目擴展給他們，亦不忘關懷照顧者的心靈需要。

We are gathering efforts to provide nutritional knowledge to grass-roots children and families. Surveys have been conducted to understand the challenges these children face in obtaining balanced nutrition, which impacts their healthy growth. Our goal is to offer relevant advice and support based on these findings. In addition, we remain committed to children with Special Educational Needs and aim to extend nutritional support programmes for them while also addressing the emotional needs of their caregivers.
