

Experience Poverty, Respond by Faith

Matthew 25 Challenge is a week-long challenge that Christians can sign up with their families. Each day, you will take up a new challenge, step out of your comfort zone and engage in what Jesus teaches in Matthew 25: caring for the least among the brothers and sisters, and understanding the needs of those living in poverty.

Period During Lent 2021, around Good Friday or any other days chosen by the church

- Participation**
- During the challenge, participants will receive a daily challenge every morning for them to experience the hardships of poor children throughout the day. Every night, after completing the daily challenge, they can join a World Vision sharing session online and pray for the world's needy together
 - A pastor or small group leader will serve as a facilitator to forward the "6-Day Challenge Information" by phone to participants every day and remind them to pray every night
 - Gather on Day 7 to share and pray together. Churches can invite World Vision staff to share a message or introduce activities before/after the challenges
