World Vision is a global Christian relief, development and advocacy organisation dedicated to working with children, families and communities to overcome poverty and injustice. World Vision serves all people, regardless of religion, race, ethnicity, or gender.

Vision Statement

Our vision for every child, life in all its fullness;
Our prayer for every heart, the will to make it so.

Mission Statement

World Vision is an international partnership of Christians whose mission is to follow our Lord and Saviour Jesus Christ in working with the poor and oppressed to promote human transformation, seek justice, and bear witness to the good news of the Kingdom of God.

World Vision HK

In 1962, Typhoon Wanda hit Hong Kong severely. World Vision distributed relief supplies in Hong Kong, and later set up its first field office in the territory. With the economic recovery in Hong Kong, World Vision Hong Kong turned itself into a fundraising office in 1982, supporting the relief and development work of World Vision offices worldwide. World Vision Hong Kong also promotes public education, raising public awareness about global issues such as poverty, hunger, health and child rights.

GLOBAL CITIZENSHIP PROGRAMME

The Sustainable Development Goals (SDGs) are a set of 17 global targets established by the United Nations in 2015 as part of the 2030 Agenda for Sustainable Development. At World Vision, these goals are at the heart of our mission to build a brighter, more equitable future for children worldwide.

Through our Global Citizenship Programme, students are empowered to understand their role in the global community and take meaningful action towards achieving the SDGs—becoming part of a worldwide effort to create lasting, positive change.

Empowering Minds for a
Better Tomorrow!

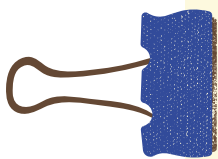

Talks & Workshops

Objective: To deepen understanding of the lives of children living in poverty, foster empathy and strong values, raise awareness of global citizenship, and introduce the work of World Vision.

- 
- ✓ **The Vision Programme offers talks for all levels - Kindergarten, Lower and Upper School. Workshops are available only for Upper School.**
 - ✓ Places for talks/workshops are limited. Schools that take part in fundraising activities will be given priority in the application process.
 - ✓ Each school may apply for a maximum of one free-of-charge on-campus talk/activity per academic year.
 - ✓ Schools are encouraged to support through donations. For every \$1,000 donated, one additional free on-campus talk or activity will be arranged.

Feast of Fame

Topics covered: Climate Change, War and Conflict, Hunger

Although we have enough food for every single person on earth, the distribution of food is imbalanced. Through this workshop, participants will explore food inequity and scarcity, and to learn to treasure food.

Too Hot to Handle

Topics covered: Climate Change, Hunger

Through a trivia contest and mindful eating. Participants will learn the impact of climate change to those living in poverty and to reflect on our lifestyle habits. Encouraging them to take action against world hunger.

In Deep Waters

Topics covered: War and Conflict, Hunger

Through stimulating the experience of South Sudanese people picking water lilies to stave off hunger, participants will learn about how climate change-induced disasters threaten food supplies in developing countries. Encouraging them to take action against climate crisis and global hunger.

SCHOOL ACTION

14th DEC

GLOBAL 6K

Globally, 703 million people lack access to basic drinking water facilities, forcing many women and girls to walk roughly six kilometers each day to fetch it.

To address this pressing issue, World Vision launched the Global 6K for Water, uniting people of all ages to run and raise funds for World Vision's water projects in Africa.

Let's take action for a world where no child has to trek for water.

JAN - MAR

RED PACKET CAMPAIGN

Every Chinese New Year, students share their blessings by donating red packets, bringing hope to children in need.

World Vision provides: Donation box, Powerpoint description, posters, certificates, and donation receipts

GIFT CATALOGUE

Select practical gifts from our “Gift Catalogue” on behalf of your school or any school-based body, and donate to those in need.

The gifts you select will support World Vision’s five key development areas in impoverished communities: child care, education, economic livelihood, water and health, and community development.

CHILD SPONSORSHIP PROGRAMME

World Vision’s Child Sponsorship Programme allows you to support a child in need while helping to uplift their entire community.

SPONSOR

Your sponsorship provides essentials like education, healthcare, and clean water, establishing a meaningful connection through letters, photos, and even visits.

Join us to support a child.

HOPE ALIVE

Charity Walk

Hope Alive Charity Walk encourages students and parents to walk or run in solidarity, raising funds for those in need.

Mural Project

Hope Alive Mural Project invites students to create a mural that expresses hope and solidarity with underprivileged children. The mural can be completed on school grounds.

Kite Festival

Hope Alive Kite Festival invites students and parents to create “Kites of Hope” with inspiring designs and messages of hope. The event can be paired with fundraising initiatives to support children in need around the world.
